

## Kool Aid Play Dough

Adapted from the “Basic Play dough Recipe” found in  
Ooey, Gooey, Tooey by Lisa Murphy

You need:

- 3 cups flour
- 1 1/2 cups salt
- 6 tsp cream of tartar
- 6 TBS oil
- 3 cups water
- Liquid water color or food coloring (optional)
- 2 packets (or more if you prefer) of flavored Kool Aid
- Bowl
- Electric Mixer or hand whisk
- Wooden spoon

Directions:

Using an electric mixer, mix all ingredients together in a bowl. You can mix with a big spoon or hand whisk if you don't have an electric mixer. Cook over medium heat, stirring as you cook, until it forms a ball. Remove from heat, knead, store in a baggie or air tight container.
